

NANOTEK SURFACTANT

Nanotek Surfactant is a premium no-foam wetting agent used to enhance the performance of pesticides and fertilizers by dramatically reducing the product's surface tension (below 21.5 mN/m) resulting in unsurpassed spread and penetration on the target. This improves efficacy and minimizes product use.

PRINCIPAL FUNCTIONING AGENTS:

Siloxane Polyalkyleneoxide Copolymer and Polyalkyleneoxide100%
Total.....100%

DIRECTIONS FOR USE: Always read and follow the label of the pesticide(s) and additive(s) to be used with this product. Always refer to the pesticide and additive label(s) for additional directions or precautions. Follow the most restrictive label.

1. Fill sprayer halfway with water and begin agitation.
2. Add pesticides or fertilizer as directed.
3. Continue to fill with water until about 90% full.
4. Add Nanotek Surfactant. Fill sprayer to 100% full.

KEEP OUT OF REACH OF CHILDREN WARNING

**Harmful if inhaled
Causes serious eye irritation**

Type of Application	Amount
Spot applications	1 oz /gal.
Broadcast applications	8 oz /100 gal.

Causes serious eye irritation. Read label before use. Keep container tightly closed. Keep only in original container. Avoid breathing dust, fume, gas, mist, vapors or spray. Wash skin thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves, protective clothing, eye protection and face protection.

FIRST AID

IF IN EYES: Rinse cautiously with water for several minutes. Check for and remove any contact lenses if presently easy to do. Continue rinsing. If eye irritation persists, get medical advice/attention.

IF ON SKIN OR CLOTHING: Flush contaminated skin with plenty of water. Remove contaminated clothing and shoes. Get medical attention if symptoms occur. Wash clothing and shoes before reuse.

IF INHALED: Remove person to fresh air and keep in a position comfortable for breathing. If person is not breathing or breathing is irregular, provide artificial respiration or oxygen by trained personnel. If victim feels unwell, call a poison control center or physician. Get medical attention if adverse effects persist or are severe. If unconscious, place in recovery position and get medical attention immediately.

IF SWALLOWED: Wash out mouth with water. Remove victim to fresh air and keep at rest in a comfortable position. If victim is conscious, give small quantities of water to drink. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything to an unconscious person.

STORAGE: Store in accordance with local regulations. Store in original container protected from direct sunlight in a dry, cool, and well-ventilated area, away from incompatible materials and food and drink. Keep container closed. Do not store below 4°C as product will freeze.

DISPOSAL: Dispose of contents and container in accordance with all local, regional, national and international regulations.

WARRANTY: Solutions Pest & Lawn warrants that this product conforms to the chemical description on the label and can be used as set forth in the directions for use on this label. This warranty IS IN LIEU OF ALL OTHER WARRANTIES, STATUTORY, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
