

ALLIGARE

PERFORMANCE WETTER

NONIONIC ORGANOSILICONE SURFACTANT

PRINCIPAL FUNCTIONING AGENTS:

Silicone and other nonionic surfactants and humectants.....	100%
Total	100%

All ingredients are exempt from tolerance according to 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN DANGER

Causes skin irritation. Causes serious eye damage. Read label before use. Keep container tightly closed. Keep only in original container. Avoid breathing dust/ fume/ gas/ mist/ vapors/ spray. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves/ protective clothing/ eye protection/ face protection.

FIRST AID

Call a poison control center or doctor immediately for treatment advice.

Have the product container with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Immediately call a poison center, doctor or physician. Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing.

IF ON SKIN OR CLOTHING: Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes. If skin irritation occurs: Get medical advice or attention.

IF SWALLOWED: Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

GENERAL INFORMATION

PERFORMANCE WETTER is a nonionic surfactant that contains organosilicone. Organosilicone chemistry increases spreading and wetting of pesticide solutions, which, in turn, causes significantly faster and more effective penetration of the active into the target. **PERFORMANCE WETTER** can be used with most fertilizer and pesticide products.

DIRECTIONS FOR USE

Follow the directions on the pesticide label. Use **PERFORMANCE WETTER** wherever the use of an organosilicone surfactant is not excluded.

APPLICATION

Ground
Aerial
Aquatic (surface)
Aquatic (submerged)
General Wetter/Spreader

RATE PER 100 GALLONS

6 to 12 ounces
12 to 32 ounces
6 to 12 ounces
8 to 14 ounces
6 to 12 ounces

For increased water penetration of hard to wet soils and the uniform distribution of applied moisture, follow recommended uses:

Lawns and Turf: .05% - .125% v/v concentration.
Greens and Tees: .05% - .125% v/v concentration.

NOTE: The application rates on this label are based on pesticide labels that recommend the use of a nonionic surfactant. Rates of this product may be increased or decreased for optimum results. Follow pesticide labeling for proper recommendations.

Before using **PERFORMANCE WETTER** where a nonionic surfactant may not be recommended the user or applicator advisor must have experience with the combination or must have conducted a phytotoxicity trial to ensure safety and jar testing to ensure compatibility.

MIXING

Prior to pesticide application clean mixing and application equipment according to pesticide label directions. To minimize foaming fill spray tank 2/3 or 3/4 full of water and begin agitation. If foaming is anticipated the addition of an antifoaming agent should be added before pesticides, nutrients, or **PERFORMANCE WETTER**. If foam is still not properly controlled, more antifoaming agent may be added later.

Add pesticides and/or fertilizers as directed by label or in the following sequence:

A. Micronutrients and fertilizers, B. Dry flowables and dispersible granules, C. Flowables, D. Water soluble pesticides, E. Emulsifiable concentrates.

Continue agitation and add **PERFORMANCE WETTER**, when completed, reduce agitation and allow to mix for 1 to 2 minutes. While under minimal agitation, continue filling tank and allow to mix for 10-15 minutes prior to application.

NOTE: For optimum results, spray mixes containing **PERFORMANCE WETTER** should be applied within 36 hours.

STORAGE AND DISPOSAL

STORAGE: Store in a cool well-ventilated place. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. For optimal storage, store between 40° and 90° F.

DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all federal, state and local regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org.

WARRANTY

Alligare, LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions, subject to the inherent risks set forth below. Alligare, LLC MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY. Inherent Risks of Use: It is impossible to eliminate all risks associated with use of this product. Plant injury, lack of performance, or other unintended consequences may result because of such factors as use of the product contrary to label instructions (including conditions noted on the label, such as unfavorable temperature, soil conditions, etc.), abnormal conditions (such as excessive rainfall, drought, tornadoes, hurricanes), presence of other materials, the manner of application, or other factors, all of which are beyond the control of Alligare, LLC or the seller. All such risks shall be assumed by buyer. Limitation of Remedies: The exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability, or other legal theories), shall be limited to, at Alligare, LLC's election, one of the following: 1. Refund of purchase price paid by buyer or user for product bought, or 2. Replacement of amount of product used Alligare, LLC shall not be liable for losses or damages resulting from handling or use of this product unless Alligare, LLC is promptly notified of such loss or damage in writing. In no case shall Alligare, LLC be liable for consequential or incidental damages or losses. The terms of the "Warranty Disclaimer" above and this "Limitation of Remedies" cannot be varied by any written or verbal statements or agreements. No employee or sales agent of Alligare, LLC or the seller is authorized to vary or exceed the terms of the "Warranty Disclaimer" or this "Limitation of Remedies" in any manner.
