## Harris Neem Oil

is 100% cold pressed and unrefined.

With applications on people, pets and gardens, neem oil is incredibly versatile and contains a variety of beneficial vitamins, antioxidants and fatty acids.

### Directions:

**For People:** For topical use only. Apply directly to skin and hair or mix with lotions, creams, shampoos or other personal care products. Start with a few drops and increase as desired.

**For Pets:** Apply directly or mix with lotions, shampoos, or other pet care products. Start by adding 1 ounce of Neem Oil and increase as desired. Alternatively, make a spray by mixing 1 fluid ounce with 20 ounces of warm water.

**For Plants:** Mix 1 ounce of Neem Oil with 1 gallon of water and add a few drops of a mild dishwashing soap. Spray directly in the morning or evening when the sun has set.

**DO NOT USE ON CATS.**

**KEEP OUT OF REACH OF CHILDREN.**

**CAUTION:** For topical use only. Do not ingest.

Avoid contact with eyes.

Cold Pressed Neem Oil may thicken when temperatures drop. This is completely normal. To restore to a more liquid consistency, place the bottle in a small bucket of warm water for 5 minutes. Do not allow to fully submerge. The color of Neem oil can vary from bright yellow to reddish brown to dark brown depending on the region the Neem seeds are collected. Color variation is normal and not indicative of the quality or effectiveness.
