# SEEDLINGERS® UNIVERSAL PLANT FOOD™

**Seedlingers® Universal Plant Food™** is an all-purpose liquid plant food designed to be used on any plant, in any weather and any condition including in traditional and hydroponic gardening areas. This product has been designed to perform well enough to impress advanced gardeners, but be simple enough to use so that beginners can't fail. Use Seedlingers® Universal Plant Food™ on your house plants, vegetable garden, potted plants and more.

**DIRECTIONS:** Shake container well before use.

**For Traditional Gardening:** Use by measuring out one ounce (or about a capful) and pour into one gallon of water. Apply by wetting the leaves of the plant and let soak into the soil. Reapply weekly or every 30 days, as needed.

**For Hydroponic Gardening:** Use by measuring out one ounce (or about a capful) and pour into system at a rate of one ounce per gallon of water. Use as needed based on your system grow cycle or about once per week, as needed.
