

PRO GROW

GUARANTEED ANALYSIS:

TOTAL NITROGEN (N).....	19%
10.85% Ammoniacal Nitrogen	
*4.25% Urea Nitrogen	
**1.95% Water Soluble Organic Nitrogen	
**1.95% Water Insoluble Nitrogen	
AVAILABLE PHOSPHATE (P2O5).....	4%
SOLUBLE POTASH (K2O).....	10%
Chlorine: not more than 8.00%	

Derived From: Sulfur Coated Urea, Methylene Urea, Sulfate of Ammonia, Diammonium Phosphate and Muriate of Potash. Registered By: Nitro-Phos, Inc., P.O. Box 1356, Houston, TX 77251. *4.25% Sulfur Coated Urea and **3.90% Slowly available from Methylene Urea.

SECONDARY & MICRO PLANT PACKAGE:

Nutrient Guarantee:

SULFUR (COMBINED) as (S).....	10.00%
Boron (B).....	.02%
Copper (Cu).....	.05%
IRON as (Fe).....	4.00%
TOTAL MANGANESE as (Mn).....	.05%
0.00% WATER SOLUBLE MANGANESE (Mn)	
Molybdenum (Mo).....	.0005%
ZINC as (Zn).....	.05%

Derived From: Sulfate of Ammonia, Fertilizer Grade Borate, Copper Oxide, Iron Oxide, Iron Sulfate, Manganese Oxide, Fertilizer Grade Molybdate and Zinc Oxide.

DIRECTIONS FOR USE:

Apply with a calibrated rotary (broadcast) or drop type fertilizer spreader. Do not apply when grass is wet. Water thoroughly and promptly after application - washing fertilizer granules off the grass blades and into the soil.

NOTE: Avoid getting on concrete walks or drives, stucco or asbestos siding as certain fertilizer elements can cause permanent stains. If applied accidentally, wash off immediately. Keep out of swimming pools.

SPREADER SETTINGS GUIDE:

For best distribution of this product, a rotary type spreader is recommended. Drop spreader require more care with spreader application patterns.

Spreader settings are approximate. Reduce setting for slower walking speed; raise setting for higher walking speed. Apply at the approximate rate of 5 lbs. of fertilizer per 1,000 sq. ft.

NET WEIGHT: 50 LBS. (22.7 kg)

This 50 lb. bag will treat 10,000 sq. ft. of turf grass. For information concerning application rates and components of this fertilizer, write to: askapro@solutionsstores.com

WARNING:

Eye and skin irritant. Avoid breathing dust. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling.
