PRECAUTIONARY STATEMENTS Hazards to Humans & Domestic Animals

CAUTION

Harmful if swallowed or inhaled. Causes moderate eye irritation. Avoid contact with eyes or clothing. Avoid breathing dust. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

FIRST AID

Have the product or label with you when calling a poison control center or doctor or going for treatment. In case of emergency or for additional information call 1-800-858-7378.

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

This product is an insect food and contains the HARRIS ROACH LURE. Because of the "lure", roaches, palmetto bugs, ants, silverfish and water bugs will find and eat this powder.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product may be used in homes, restaurants, markets, schools, warehouses, factories, offices, hotels, motels, hospitals, nursing homes, garages, grocery stores, apartment buildings, new construction, industrial plants, theaters, ships, boats, trains, trucks, yachts, camps, mobile homes, buses, zoos, kennels, military bases, libraries, utilities and sewers.

Use Restrictions: Apply only in areas inaccessible to children and pets. Avoid contamination of feed and foodstuff. Do not use in edible product areas of food handling establishments, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

DOMESTIC USE

Shake well before opening. Using the easy applicator, create a barrier through which cockroaches and other insects must crawl. Apply liberally under and behind refrigerator, stove, sink, dishwasher, washing machine, dryer and tubs in kitchen and utility rooms. Apply in cracks and crevices along baseboards and corners of cabinets, cupboards and closets. Apply a line from corner to corner in rear of kitchen cabinets or drill 1/8" holes at top of kick panels beneath cabinets in kitchens and bathrooms, dusting liberally. Remove lower drawers in kitchen and bathroom cabinets, bedroom dressers and chests of drawers and liberally dust into drawer wells and under bookshelves. Apply into openings and void areas around plumbing, drains, water pipes and electrical conduits. Any powder visible after application may be brushed into cracks and crevices or removed. Reapply as necessary.

NON-DOMESTIC USE (Only Non-Edible Product Areas)

Application in New and Existing Construction to control roaches and other insects: When treating large areas, such as voids, soffits and subcabinet voids, dust liberally. Dust into pits of dumbwaiters, elevator shafts and trash chutes. In storerooms, dust under pallets and behind boxes.

This container is sold by weight, NOT by volume. You can be assured of the proper weight even though some settling of contents normally occurs during transportation and handling.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store only in original container, in a dry place inaccessible to children and pets.

Pesticide Disposal: Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

Container Handling: If empty: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
