How to use your GONZO® Gopher Snake®

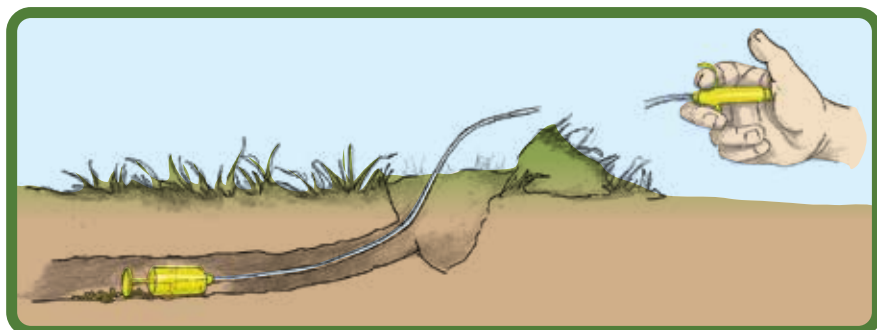

USE CAUTION WHEN OPENING PACKAGE

Remove applicator from package and **straighten** cable.

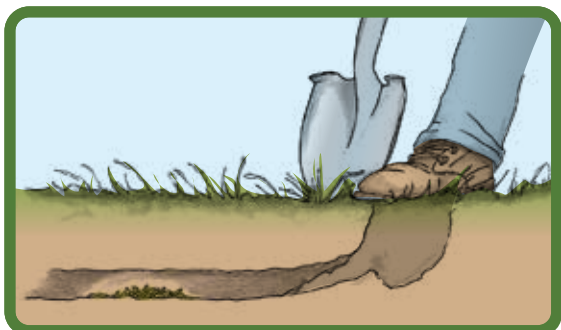

With the applicator control handle depressed, work the **OPEN** bait chamber deep into the bait container. Release the applicator control handle. This will fill and close the bait chamber.

Place the filled bait chamber as far as possible into the gopher tunnel.

Depress the applicator control handle to empty the bait into the tunnel, remove the open applicator in a shaking motion.

Completely bury the opening to protect children, pets and surface animals.

WARNING: KEEP OUT OF REACH OF CHILDREN.
